FOR GROWN-UPS

What this sheet practices

- Plus means put together.
- 4 and 3 make 7.

REMEMBER IT

Plus means put them together.

How to help

- Use real things: an egg box with ten cups is a ten-frame. Ask "how many more make ten?" before "what's the answer?"
- Do the lesson in the app first, then the sheet. Check it together with the answer key, and count out any answer that slipped with real things: buttons, pasta, fingers.
- The code 1234 is on the sheet and on its answer key, so the two pair up. New version deals new numbers.
