FOR GROWN-UPS

What this sheet practices

- Times means equal groups.
- 4 groups of 3 make 12.

REMEMBER IT

Times means equal groups.

How to help

- Make equal groups at the table: 3 plates with 4 grapes each. Say it as "3 groups of 4", then count by 4s.
- Do the lesson in the app first, then the sheet. Check it together with the answer key, and count out any answer that slipped with real things: buttons, pasta, fingers.
- The code 1234 is on the sheet and on its answer key, so the two pair up. New version deals new numbers.
