What this sheet practises

- Bar lines cut music into bars. Each bar here holds four beats.
- The top number of the time signature says how many beats fit in a bar.

How to help

Clap the rhythms while counting out loud, one count for each beat. Then let your child clap and you count.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.

Practise it again in the app

Scan the code with an iPhone or iPad to open this lesson in Treble Trouble.
