# Half notes

Beats

For grown-ups

## What this sheet practises

- A half note is open. It lasts two beats: 1, 2.
- Two quarters and a half fill four beats.

## How to help

Clap the rhythms while counting out loud, one count for each beat. Then let your child clap and you count.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.

## Practise it again in the app
