For grown-ups

What this sheet practises

- Hear the soft clicks? That steady tick is the beat. Count 1, 2, 3, 4.
- A quarter note lasts one beat: one note for every click.

How to help

Clap the rhythms while counting out loud, one count for each beat. Then let your child clap and you count.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
