What this sheet practises

- The top number of the time signature says how many beats fit in a bar.
- A 3 on top means three beats in every bar: ONE, two, three.
- A 2 on top means two beats in every bar: ONE, two, like a march.

How to help

Clap the rhythms while counting out loud, one count for each beat. Then let your child clap and you count.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
