Answer key

1 Scan the code to play each number. Circle what you hear.

1  the same different

2  the same different

3  the same different

4  the same different

5  the same different

6  the same different

7  the same different

8  the same different

9  the same different

10  the same different

11  the same different

12  the same different

Same rhythm?

Listening

For grown-ups

What this sheet practises

- Listen to two rhythms. These two are the same.
- These two are different: the long note moved.

How to help

Scan the code on the sheet: each number plays its question as often as your child likes. Listen together, then circle the answer. Singing the two notes back helps.

Practise it again in the app

Scan the code with an iPhone or iPad to open this lesson in Treble Trouble.
