What this sheet practises

- Brass instruments are shiny metal. You buzz your lips to play them.
- The trumpet is small and bright, with three buttons called valves.
- The trombone has a long slide that moves in and out.
- The French horn is a round coil with a wide bell.
- The tuba is the biggest brass instrument. Its bell points up.

How to help

Look and listen together: name an instrument in the app, then find it in a song, a video or a concert and say which family it belongs to.
