What this sheet practises

- Strings make music when you pluck them or play them with a bow.
- The violin is small. It rests under your chin and you play it with a bow.
- The cello looks like a big violin. It stands on the floor on a spike.
- The guitar has a round hole in the middle and strings you pluck.
- The harp is a big triangle full of strings.

How to help

Look and listen together: name an instrument in the app, then find it in a song, a video or a concert and say which family it belongs to.
