What this sheet practises

- A whole note is the whole thing: 1.
- Two half notes fill a whole note, so each one is $\frac{1}{2}$.
- Four quarter notes fill a whole note, so each one is $\frac{1}{4}$.
- Eight eighth notes fill a whole note, so each one is $\frac{1}{8}$.
- A dot adds half again: a dotted half is $\frac{3}{4}$, a dotted quarter is $\frac{3}{8}$.

How to help

Clap the rhythms while counting out loud, one count for each beat. Then let your child clap and you count.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
