What this sheet practises

- A flat is the key just to the left. This is B $\flat$.
- One black key has two names. This one is C $\sharp$ and D $\flat$.

How to help

Find the keys on a real piano or keyboard together: the black keys in twos and threes are the map. Ask your child to name a key, then press it.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
