Sharp keys

Piano keys

For grown-ups

What this sheet practises

- A sharp is the key just to the right. This is C#.
- F# is the black key just right of F.

How to help

Find the keys on a real piano or keyboard together: the black keys in twos and threes are the map. Ask your child to name a key, then press it.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.

Practise it again in the app

Scan the code with an iPhone or iPad to open this lesson in Treble Trouble.
