What this sheet practises

- Quiet beats count too. Keep counting through the rest.
- Count every beat in the bar, loud or quiet.
- Notes and rests together fill the bar.

How to help

Clap the rhythms while counting out loud, one count for each beat. Then let your child clap and you count.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
