What this sheet practises

- A tie joins two notes into one long sound. Play the first and hold it.
- Add up the tied notes: a half and a quarter make 3 beats.

How to help

Play or sing a tune you both know and follow a sign: soft, then loud, getting louder, holding a note. Then swap who leads.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
