What this sheet practises

- Music is written on a staff: five lines with four spaces between them.
- This note sits on a line. The line goes right through it.
- This note sits in a space, between two lines.

How to help

Ask your child to say each note's name out loud before writing it. Counting lines and spaces up from a note they know (a landmark) is the trick that sticks.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
