What this sheet practises

- Middle C on the staff is this C on the piano.
- Each step up the staff is the next white key to the right.

How to help

Ask your child to say each note's name out loud before writing it. Counting lines and spaces up from a note they know (a landmark) is the trick that sticks.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.
