From left to right, the notes are: E4 (second space), F4 (third space), G4 (third line), A4 (fourth space), B4 (fourth line), C5 (fifth space), D5 (fifth line), and E5 (first space of the next octave). Below each note is a square box for writing the note's name.

**2** Draw a whole note for each name.

D                      E                      C                      E

Four musical staves, each with a treble clef, are provided for drawing whole notes corresponding to the names D, E, C, and E above them.

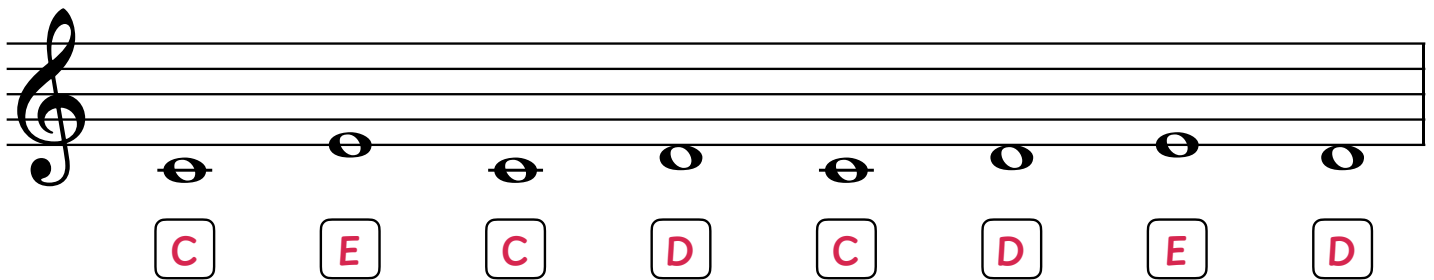

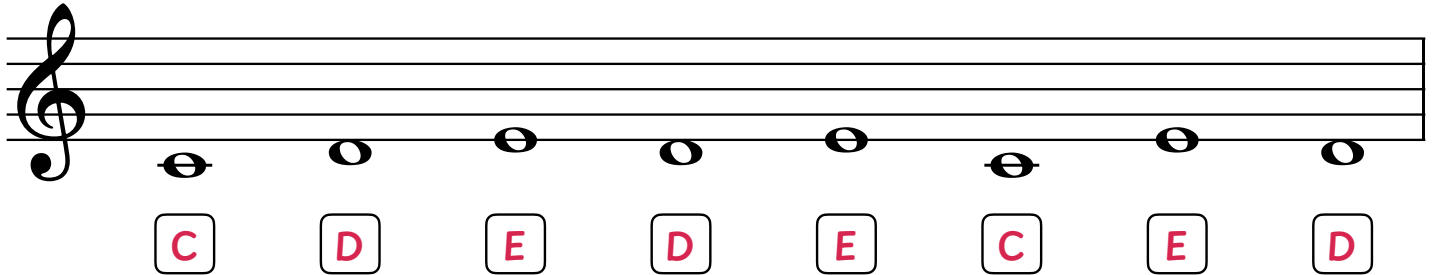

# Middle C

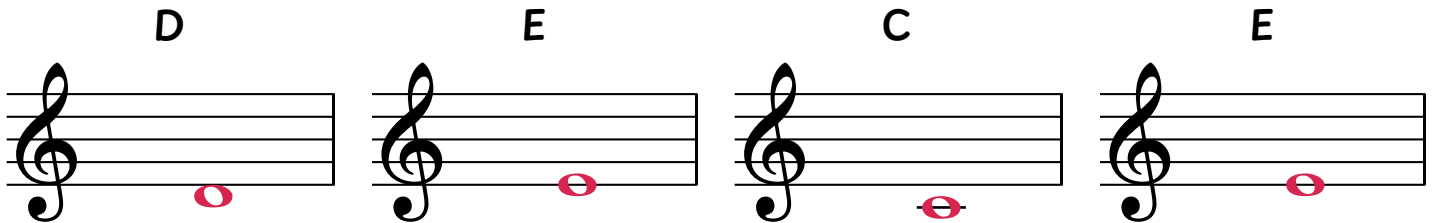

Treble · Worksheet 1234

Answer key

1 Write each note's name in the box under it.

2 Draw a whole note for each name.

## What this sheet practises

- Middle C sits on its own little line under the staff.
- Step up from middle C: C, D, E.

## How to help

Ask your child to say each note's name out loud before writing it. Counting lines and spaces up from a note they know (a landmark) is the trick that sticks.

Do the lesson in the app first, then the sheet. Check it together with the answer key, and play any note that slipped on a piano or in the app.

## Practise it again in the app
